

TERMINATION OF ENROLMENT POLICY

Management and staff are dedicated to developing a respectful and effective partnership between the family and Service. This partnership supports children’s inclusion, access, engagement and participation in the Service. Management implements systems to manage risks whilst promoting the health, safety and well-being of all children and staff within the Service. There may be some circumstances where this is compromised due to non-compliance of our policies and therefore the appropriate course of action could lead to the termination of a child’s enrolment.

PURPOSE

'All children have the right to experience quality education and care in an environment that provides for their physical and psychological well-being and provides support for each child's growing competence, confidence and independence.' Quality Area 2, ACECQA.

We have the legal duty to ensure the health, safety and well-being of children, management, educators, families, volunteers and visitors at our Service. To promote respectful and effective partnerships with families, we ensure that parents participate in a comprehensive induction and orientation to the Service including detailing our terms of enrolment, as per our legal agreement, which advises families on the Service's right to terminate a child's enrolment if a Service policy has been breached.

SCOPE

This policy applies to families and management of the Service.

IMPLEMENTATION

Organisation/Nominated Supervisor/ Responsible Person will:

- work in partnership with families to promote inclusion of all children within the Service
- use positive language and a range of communication strategies with children and families to ensure positive relationships
- discuss concerns or issues of non-compliance with supervisors/management before communicating with families
- document all communication and meetings (informal and formal) with families and outside professional support
- access external professional support to ensure children's inclusion in the Service's program
- document proposed strategies and practices suggested to resolve any issue
- develop individual educational plans for children as required (refer to Behaviour Management Policy; Additional Needs Policy, Inclusion Support Management Plan)

- implement State and Federal Government requirements for vaccination requirements for enrolment of children
- remind families of our Code of Conduct policy
- document evidence of non-compliance, events, behaviour, grievances and observations
- ensure minutes are collected and signed by all parties present at meetings to ensure a true and accurate record of the meeting.

BEHAVIOUR MANAGEMENT

There are times when children's behaviour requires guidance, which will always be undertaken according to the Service's policies and procedures. Every effort will be made to deal with the behaviour using positive guidance and working closely with families to implement a plan in order to help rectify any unacceptable behaviour. If the child's behaviour continues to be disruptive and harmful and the safety of other children and staff is compromised, we reserve the right to ask you to withdraw your child from the Service.

SERVICE POLICIES

Our Service has a range of policies and procedures to ensure the safety, welfare and well-being of children, staff, families and visitors of the Service. We reserve the right to terminate a child's enrolment if at any time a Service policy has been breached.

This may include:

- Failure to comply with the enrolment contract
- Disparaging, hurtful, or unsafe behaviour of a child that continues even with parent collaboration and/or support agency involvement in modifying the behaviour
- Non-payment of childcare or late fees and/or recurring late payment of fees
- Continuing to pick up the child past the required licensed time after consistent documented warnings
- Inability to meet the child's individual needs without family support and commitment to ensure their child receives the best possible support within our Service
- Deliberate impertinence towards the Approved Provider or staff (see Code of Conduct policy)
- If a parent knowingly brings their child ill to the Service
- Consistent child-rearing style differences between the parent and the Service
- False information given by a parent either verbally or in writing
- Bullying and/or harassing Educators, children or families enrolled at the Service (see Code of Conduct Policy).

Two weeks' notice will be provided to families, unless the safety and well-being of other children, staff or families is at risk. In this case, an immediate termination of enrolment may apply. Any outstanding fees will be provided to families and remain due to be paid upon termination of enrolment.
