PURPOSE

Our *Child Safety and Wellbeing Policy* will ensure the Service meets all obligations and requirements under the Child Wellbeing Safety Act 2005 (Vic). Our *Child Safety and Wellbeing Policy* will work together with the Service's *Code of Conduct Policy*, *Recruitment Policy*, *Child Safe Environment Policy*, *Reportable Conduct Scheme Policy*, *Dealing with Complaints Policy*, *Information Sharing and Family Violence Reforms (The Reforms) Policy* and other related policies to develop a child safe culture within the Service and community. This policy will provide direction and guidance for all educators, staff and visitors (including students and volunteers) to comply with and adhere to the 11 Child Safe Standards (2022) to ensure a child safe environment for all children.

The 11 Child Safe Standards aim to create a culture where:

- the safety of children is promoted,
- child abuse is prevented and
- allegations of child abuse will be taken seriously and acted upon.

SCOPE

This policy applies to families, staff, educators, approved provider, nominated supervisor, management, students, volunteers and visitors of the Service.

OUR COMMITMENT TO CHILD SAFETY AND WELLBEING STATEMENT

Alphabet Preschool is committed to the safety and wellbeing of all children and young people. We understand our responsibilities and statutory duty of care to comply with both the Victorian Child Safe Standards and the Reportable Conduct Scheme to build our capacity as an organisation to prevent and respond to allegations of child abuse.

Our Service is committed to implementing and abiding by our Child Safety and Wellbeing Policy and Child Safe Environment Policy based on Child Safe Standards in Victoria (2022), which accentuates our zero

tolerance for child abuse and raising awareness about the importance of child safety in our Service and the community.

We are dedicated to protecting children from abuse and neglect and promote a child safe environment, maintaining children's wellbeing. We adhere to our comprehensive Child Protection Policy, standing by our mandatory reporting responsibilities to protect children from physical, sexual, emotional and psychological abuse and neglect.

We work to ensure there is clear awareness between appropriate and inappropriate behaviour concerning adults and children. We require clear precincts between children and employees, volunteers and the community to maintain children's safety.

We are dedicated to promoting cultural safety for Aboriginal children, cultural safety for children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability.

We value diversity and do not tolerate any discriminatory practices. We abide by our Anti-bias and Inclusion Policy which outlines our Service belief that children have the right to be treated equally, and our goal is to develop children's identity and self-esteem in a trusting and supportive environment. We practice the principles of anti-biased education and are mindful of the resources and activities we provide to children.

We are committed to ongoing professional development for educators and staff to maintain their ability to distinguish and respond to situations of abuse and neglect, ensuring educators and staff are responsive to their responsibilities in keeping children safe. Child protection training is mandatory for all staff at Alphabet Preschool.

We work in collaboration with the United Nations Convention on the Rights of the Child and have confidence in educating children about their right to be safe. We believe in teaching children what to do if they feel unsafe and encouraging them to express their view and thoughts on matters that directly affect them.

As educators we listen to and empower children to act on any concerns they or others may raise, which is reflected in our policies and procedures in keeping children safe. We enable children to have a voice and respect their choices and decisions.

IMPLEMENTATION

Our Service is committed to creating and maintaining an environment that promotes the safety of all children and embeds the Victorian Child Safe Standards. All educators, staff and volunteers are responsible for promoting a culture of safety and wellbeing to minimise the risk of child abuse or harm to children whilst promoting children's sense of security and belonging.

From 1 January 2023 Quality Assessment and Regulation Division (QARD) will become the sole regulator of the Standards in the early childhood sector. Every Service in Victoria will have a new condition imposed on its service approval that requires the Approved Provider to ensure their Service complies with the new Child Safe Standards. Authorised Officers will be checking compliance with National Law, National Regulations, the Children's Services Act (CS Act) the Children's Services Regulations (CS Regulations) and encouraging continuous improvement over time.

DEFINITIONS

Child/Children refers to both children and young people under the age of 18 years.

Child Abuse refers to a sexual offence committed against a child, an offence committed against a child under section 49M (1) of the Crimes Act 1958 (Vic) such as grooming, physical violence against a child, causing serious emotional or psychological harm to a child, serious neglect of a child (Child Wellbeing and Safety Act 2005. Vic)

Complaint Expression of dissatisfaction made to or about an organisation related to its products, services, staff or the handling of a complaint where a response or resolution is explicitly or implicitly expected or legally required [AS/NZS 10002:2014 Complaint Management Standard].

Information Sharing Obligations refers to the Child Information Sharing Scheme and the Family Violence Information Sharing Scheme.

Significant Harm refers to circumstances causing concern for the safety, welfare and wellbeing a child or young person present to a significant extent. This means it is sufficiently serious to warrant a response by a statutory authority irrespective of the family's consent.

What is significant is not minor or trivial and may reasonably be expected to produce a substantial and demonstrably adverse impact on the child's or young person's safety, welfare, or wellbeing. In the case of an unborn child, what is significant is not minor or trivial and may reasonably be expected to produce a substantial and demonstrably adverse impact on the child.

Reasonable grounds refer to the need to have an objective basis for suspecting that a child may be at risk of abuse and neglect based on:

- firsthand observation of the child or family

- what the child, parent, or other person has disclosed
- what can reasonably be inferred based on observation, professional training and/or experience that causes the mandated reporter to believe the child has been abused or is likely to be abused or,
- signs of physical or sexual abuse leading to the belief that the child has been abused.

Failure to disclose refers to the failure of a mandated reporter who has reasonable belief that a child under 16 has had a sexual offence committed to them by an adult to make a report to the police.

Failure to protect refers to a person of authority in the organisation who has the power or responsibility, but who negligently fails to reduce or remove the threat of substantial risk of child sexual abuse.
