

KINDERGARTEN PAYMENT OF FEES POLICY

Under the Education and Care Services National Regulations [regulation 162 (2)], the approved provider must ensure a comprehensive written fee policy is in place for the payment of fees and clearly communicate this policy with all families at time of enrolment.

Our Service is committed to supporting the Victorian Government’s Free Kindergarten initiative as part of the Best Start, Best Life reform.

PURPOSE

This policy provides guidelines for *Free Kinder* for funded kindergarten programs available at our Service and the collection and payment of additional hours of education and care. It works in conjunction with the *Payment of Fees Policy* and the *Enrolment Policy*.

SCOPE

This policy applies to the approved provider, nominated supervisor and other management, educators, families, and children of the Service.

IMPLEMENTATION

Our Service aims to ensure families understand the fee schedule and how *Free Kinder* funding is applied for our kindergarten programs.

We are committed to meet our obligations to maintain financial integrity and comply with all *Free Kinder* funding and Child Care Subsidy legislative requirements.

We have effective compliance systems in place to ensure all childcare funding is administered appropriately. Our Service ensures the confidentiality and privacy of all personal information provided to the Service about the enrolled child and family and abides by the Victorian Protective Security Standards (VPSS) and Australian Privacy Principles (APP).

FEES / FREE KINDER

- Fees are based on our ability to provide the requirements of the Education and Care National Law and National Regulations, Family Assistance Law, the Australian Taxation Office and guidelines contained in the Child Care Provider Handbook and the Funded Kindergarten Guide.
- Fees are charged for each session of care and vary depending on the session time, Free Kinder fee offset and the family's eligibility for Child Care Subsidy (CCS).
- The Victorian Government will make *Free Kinder* payments to our Service to offset the parent fee component for a 15-hour program. This equates to a \$2,000 reduction in fees per year for each child and is calculated and paid pro-rata from a child's funding start date.
- Children must only receive funding for *Free Kinder* at one service. If a child attends more than one service that offers a funded kindergarten program (e.g. a sessional service for some days and a long day care service on other days), the family must nominate at which service they will receive their funded kindergarten program and therefore their Free Kinder funding.
- Free Kinder fees will be applied monthly (4 weekly).
- Free Kinder offsets will not impact CCS payments to families for additional education and care provided by our Service.
- CCS is paid directly to the Service, and this is used as a fee reduction.
- Families are required to pay the difference between the fee charged, *Free Kinder* offset fee and the CCS subsidy amount- the 'gap' amount.
- Fees must be kept in advance of a child's attendance.
- A dated statement will be provided as per parent fee payment schedule, e.g. weekly, fortnightly.
- Fees are to be paid weekly or fortnightly through a direct debit system. It is a requirement that the family pay in advance and are not in arrears.
- Fees are payable in advance for every session that a child is enrolled at the Service. This includes sick days, parent choice and family holidays but excludes periods when the Service is closed. The Service may be directed to close due to periods of local emergency such as bushfire or flood.
- Fees will not be charged for public holidays.
- Fees are charged for full sessions only (regardless of the actual attendance hours any day).
- Casual days may be offered to families if available within the Service's license.
- Our Service promotes participation of all children, particularly among children who require additional support, such as children with disability and Aboriginal children. Free or low-cost programs are available for eligible children through the Early Start Kindergarten (ESK) program. We will ensure deposits for placements do not present a financial barrier to families seeking to access an ESK place.

DAILY FEES

Our daily fees are available here: <https://alphabet-preschools.com/about/#fees>

KINDERGARTEN FEE DEPOSIT

- Upon confirmation of enrolment the following fees are payable prior to commencement:
 - An enrolment fee of \$50 x the number of days of attendance over a two week period
 - A booking fee of \$50
- These fees will be used for the first two weeks of attendance and are non-refundable.
- An updated fee schedule is available on our website.
- Kindergarten fee deposits may be waived for children who are eligible for Early Start Kindergarten (ESK).

PAYMENT OF FEES

- Families will be sent a *Statement of Entitlement* as per their payment schedule, e.g. weekly, fortnightly.
- The *Statement of Entitlement* is generated using our CCS Software which meets all requirements as per Family Assistance Law legislation.
- Free Kinder fee offset will be clearly indicated on parent invoices.
- Families are required to pay fees using the Service's direct debit system. The family is required to provide banking details to facilitate set up of the direct debit account
- Fees and charges associated with direct debit system are outlined upon enrolment
- A dishonour fee will apply for direct debit transactions where there are insufficient funds to cover the fees.

FINANCIAL DIFFICULTIES

Our Service is committed to building supportive and trusting partnerships with families and children. Families experiencing financial difficulties are requested notify the Nominated Supervisor. Payment plans can be negotiated, and deposits can be waived if a family is accessing an ESK place.

Eligible families can apply for Additional Childcare Subsidy (ACCS) through Centrelink for additional fee assistance.

DEBT RECOVERY PROCEDURE

- If a family fails to pay the required fees on time, a reminder will be issued asking families to pay within 24 hours.
- At any time of the debt recovery process the family will be encouraged to enter a debt agreement with the service to repay outstanding fees. The family will be invited to attend a meeting to discuss repayment options.
- A written contract will be provided for the family to sign outlining repayment plan details. The repayment plan will provide information as to the duration and amount of the repayments as well as steps that will be taken if the repayment plan is not adhered to.
- A child's position will be terminated if payment has not been made after two weeks, for which the family will receive a final letter terminating the child's position. At this time the Service will initiate its debt collection process, following privacy and conditional requirements.

LATE FEES

- Our Service is not licensed or insured to have children on the premises after hours. This is a breach of the Education and Care Regulations.
- It is unacceptable to pick children up late from the Service. A late fee will apply where children are not picked up prior to closing time or outside of a child's session time.
- Currently, a fee of \$2 per minute per child will be incurred by the family.
- Late fees will not have Child Care Subsidy or Kindergarten Funding applied
- A review of the child's enrolment will occur where families are consistently late with fee payment.

HOLIDAY BOOKINGS AND FEES

Families will be offered four weeks of holidays in a calendar year. Families are required to give two weeks' notice, in writing, of holidays and a reduced fee will payable. Holiday bookings will be offered as casual days to other children or a reduction in staff will occur, therefore holidays, once booked, cannot be cancelled without prior arrangement.

CHANGE OF FEES

- Fees are subject to change at any time provided a minimum of 14 days written notice is given to all families.
- CCS hourly rate caps may be increased by the CPI at the commencement of each financial year. Any CCS hourly rate increases are governed by CCS and are automatically adjusted through our CCS Software.

COMPLAINTS RELATING TO THE ADMINISTRATION OF CHILDCARE SUBSIDY

Families who wish to raise concerns regarding the management of Child Care Subsidy should speak with the Nominated Supervisor in the first instance. The Nominated Supervisor will follow the steps as outlined in this policy, including advising the Approved Provider of all grievances.

Families can raise concerns regarding management of the Child Care Subsidy to the dedicated Child Care

TERMINATION OF ENROLMENT

- Parents are to provide **two weeks** written notice of their intention to withdraw a child from the Service.
- If termination from the Service is required without notification families may lose their Child Care Subsidy, resulting in the requirement of full fees to be charged.
- If a child moves to another service during the kindergarten year, funding for Free Kinder will move with the child, with regular payments made to the new service for the remainder of the year.
- In some circumstances CCS may not be paid for sessions if the child has not physically started care.
- Additionally, CCS may not be paid for absences submitted after a child's last physical day of care, unless conditions have been met as specified by Family Assistance Law.
