PURPOSE

This policy provides guidelines for *Free Kinder* for funded kindergarten programs available at our Service and the collection and payment of additional hours of education and care.

SCOPE

This policy applies to the approved provider, nominated supervisor and other management, educators, and families of the Service.

IMPLEMENTATION

Our Service is committed to ensuring that children's safety, rights and best interests are the paramount consideration in all decisions, actions and practices. We aim to ensure families understand the fee schedule, how *Free Kinder* funding is applied for our kindergarten programs, and payment of fees for additional education and care above the 15-hour funded program.

We are committed to meet our obligations to maintain financial integrity and comply with all *Free Kinder* funding and Child Care Subsidy legislative requirements. We have effective compliance systems in place to ensure all childcare funding is administered appropriately.

Our Service ensures the confidentiality and privacy of all personal information provided to the Service about the enrolled child and family and abides by the Victorian Protective Security Standards (VPSS) and Australian Privacy Principles (APP).

FEE SETTING

FREE KINDER OFFSET

- Fees are set in accordance with the requirements of the Education and Care Services National Law and National Regulations, Family Assistance Law, the Australian Taxation Office and guidelines contained in the Child Care Provider Handbook and the [Kindergarten Funding Guide](#).

- Fees for a funded kindergarten program will be reduced through the Victorian Government Free Kinder offset
- The Free Kinder offset will be provided to the Service to reduce the parent fee component. In 2026, this equates to a \$2,101 reduction in fees per year for each child and is calculated and paid pro-rata from a child's funding start date.
- The Free Kinder offset will be clearly itemised on invoices as 'Victorian Government Free Kinder Offset'
- The offset will be applied weekly.
- Families will be advised when the offset will commence and cease
- The Service will ensure the full value of the Free Kinder offset is passed on to families within the relevant calendar year
- A child may only access one funded kindergarten place at a time
- Where a child attends more than one Service offering a funded kindergarten program, families must nominate the service where they will access their funded place and receive the Free Kinder offset

Child Care Subsidy (CCS) and Gap Fees

- CCS is paid directly to the Service, and applied as a fee reduction
- the Free Kinder offset does not impact CCS entitlements
- families are required to pay the difference between the fee charged, *Free Kinder* offset fee and the CCS subsidy amount- the 'gap' amount.

Payment of Fees

- fees must be kept in advance of a child's attendance
- fees are payable for all booked sessions, including absences and family holidays
- our Service does not charge fees for public holidays
- fees are charged for full sessions only (regardless of the actual attendance hours any day).
- fees are to be paid weekly or fortnightly through a direct debit system; it is a requirement that the family pays in advance and is not in arrears
- if the Service is required to close due to periods of local emergency such as bushfire or flood or a pandemic, gap fees will be charged
- Casual days may be offered to families (dependent on conditions)

Access and inclusion

- the Service promotes participation of all children, including those who may require additional support
- eligible children may access free or low-cost programs through initiatives such as [Early Start Kindergarten](#) (ESK)

Governance Compliance

- the Service will enter into and comply with a Service Agreement with the Department for the delivery of funded kindergarten programs
- the Service will ensure appropriate insurance is held and maintained

DAILY FEES

Our daily fees are available here: <https://alphabet-preschools.com/about/#fees>

KINDERGARTEN FEE DEPOSIT

- Upon confirmation of enrolment the following fees are payable prior to commencement:
 - An enrolment fee of \$50 x the number of days of attendance over a two week period
 - A booking fee of \$54
- These fees will be used for the first two weeks of attendance and are non-refundable.
- An updated fee schedule is available on our website.
- Kindergarten fee deposits may be waived for children who are eligible for Early Start Kindergarten (ESK).

PAYMENT OF FEES

- families will be sent a Kindergarten fee invoice as per their payment schedule, e.g. weekly, fortnightly, monthly
- Free Kinder fee offset will be clearly labelled as 'Victorian Government Free Kinder Offset'
- families are required to pay fees using the Service's direct debit system. The family is required to provide banking details to facilitate set up of the direct debit account
- fees and charges associated with the direct debit system are outlined upon enrolment
- a dishonour fee will apply for direct debit transactions where there are insufficient funds to cover the fees
- families eligible for Child Care Subsidy will be issued with a *Statement of Entitlement* on a fortnightly basis in accordance with the fee payment and Regulatory requirements

- the *Statement of Entitlement* is generated using our CCS Software which meets all requirements as per Family Assistance Law legislation

FINANCIAL DIFFICULTIES

Our Service is committed to building supportive and trusting partnerships with families and children.

Families experiencing financial difficulties are requested notify the Nominated Supervisor. Payment plans can be negotiated, and deposits can be waived if a family is accessing an ESK place.

Eligible families can apply for Additional Childcare Subsidy (ACCS) through Centrelink for additional fee assistance.

DEBT RECOVERY PROCEDURE

- if a family fails to pay the required fees on time, a reminder will be issued asking families to pay within 24 hours
- at any time of the debt recovery process the family will be encouraged to enter a debt agreement with the service to repay outstanding fees; the family will be invited to attend a meeting to discuss repayment options
- a written contract will be provided for the family to sign outlining repayment plan details; the repayment plan will provide information as to the duration and amount of the repayments as well as steps that will be taken if the repayment plan is not adhered to
- a child's position will be terminated if payment has not been made after three weeks, for which the family will receive a final letter terminating the child's position; at this time the Service will initiate its debt collection process, following privacy and confidentiality requirements

LATE FEES

- our Service is not approved or insured to have children on the premises after hours; this is a breach of the Education and Care Services Regulations
- it is unacceptable to pick children up late from the Service; a late fee will apply where children are not picked up prior to closing time or outside of a child's session time
- currently, a fee of \$15 per 10 minute block or part thereof per child will be incurred by the family
- late fees will not have Child Care Subsidy or Kindergarten Funding applied
- a review of the child's enrolment will occur where families are consistently late with collection of their child

REFUND OF FEES

- if a family pays more in fees than the Free Kinder offset amount (\$2,101 or pro-rata for Pre-Prep more than 15 hours, or three year old programs less than 15 hours) across the year, they must receive the full offset amount
- if, at the end of enrolment, the family account is in credit, any fees will be refunded to the family 8 weeks following the child's last day of attendance

HOLIDAY BOOKINGS AND FEES

Families will be offered four weeks of holidays in a calendar year. Families are required to give two weeks' notice, in writing, of holidays and a reduced fee will payable. Holiday bookings will be offered as casual days to other children or a reduction in staff will occur, therefore holidays, once booked, cannot be cancelled without prior arrangement.

CHANGE OF FEES

- Fees are subject to change at any time provided a minimum of 14 days written notice is given to all families.
- CCS hourly rate caps may be increased by the CPI at the commencement of each financial year. Any CCS hourly rate increases are governed by CCS and are automatically adjusted through our CCS Software.

COMPLAINTS RELATING TO THE ADMINISTRATION OF CHILD CARE SUBSIDY OR KINDERGARTEN FUNDING

Families who wish to raise concerns regarding the management of Child Care Subsidy should speak with the nominated supervisor in the first instance. The nominated supervisor will follow the steps as outlined in this policy, including advising the approved provider of all grievances.

Families can raise concerns regarding management of the Child Care Subsidy to the Department of Education via their [Online contact form](#). Additionally, information about any potential breach of Child Care Subsidy can be reported anonymously by submitting an online report directly to the Department of Education. For more information visit the Department of Education website: [Reporting fraud via a tip-off](#)

Any misuse or misappropriation of funds will be reported to Victoria Police and a serious incident report will be filed to the Department of Education.

TERMINATION OF ENROLMENT

- Families are to provide **two weeks** written notice of their intention to withdraw a child from the Service.
- If termination from the Service is required without notification families may lose their Child Care Subsidy, resulting in the requirement of full fees to be charged.
- If a child moves to another service during the kindergarten year, funding for Free Kinder will move with the child, with regular payments made to the new service for the remainder of the year.
- In some circumstances CCS may not be paid for sessions if the child has not physically started care.
- Additionally, CCS may not be paid for absences submitted after a child's last physical day of care, unless conditions have been met as specified by Family Assistance Law.
